The Appomattox Cattlemen's Association will hold their Annual Meeting Thursday, January 30, at the Parkway Restaurant, 6:45 p.m.

Cost of dinner for members is covered in their membership fee. Those who would like to attend and become members are invited to attend. A check for $4.00 should be sent to Ed Anderson, Secretary of the Association.

There will be 51 bulls to sell at Red House February 1. These bulls averaged 3.12 pounds a day. This is the best gain ever posted by a group of bulls on test in Virginia. Minimum prices have been established on each bull with $400 as the bottom price.

Catalogs will be available from this office.

* * *

Plans are firming up for the Dark-Fired Tobacco Recognition Program February 17th. Growers who are participating in this program are urged to get their yields in as soon as possible.

* * *

In addition to the high prices of corn some other factors depressing cattle prices are: total cow numbers have increased 39.1% since 1950, annual beef production since 1950 is up 140.2%, there are 10 million more cattle on hand than in 1973.

Slaughter of steers and heifers is up - currently we are killing 600,000 per week.

Five years ago 12 percent of the feeder calves sold through organized sales were crossbred. In 1974 the figure was 31%.

Lynchburg will have two feeder sales this spring. One will be on April 10 - - the other is not firm at this time. Under consideration are March 27 and April 24.

Certain corn varieties will be in short supply - - if you haven't placed your seed order - - get it done right away.

* * *

Fertilizer will be in short supply again this year. Nitrogen will be extremely short due to the closing of a nitrogen plant in North Carolina.

* * *

In 1974 there were 662 soil samples tested from Appomattox County. This works out to be about 1.5 samples per farm. With increasing pressure on all producers to spend their fertilizer dollar wisely and the shortage of fertilizer supplies; this may be the year for you to use the soil test program.

* * *

There's also another idea for you to consider - - get some legume in pasture and hay crops. Clover does for grass crops what no amount of nitrogen will do. We can improve feed quality significantly by putting legumes back in grasses.

* * *

We expect to have a zip seeder here for your use this year. This is just one of many ways of incorporating legumes into grasses. It doesn't make a great deal of difference to us how you get the legumes established - - just make an effort to get it done.

Different Kind of Trophy

Charles Garrett, left, and Dwight Dixon point out a different kind of hunting trophy at Hamilton's Store in Evergreen. Mounted around deer heads are fragments cut from shirts of hunters who shot "One for missing, and one for lying about it," Dixon says. Names are attached to "trophys" with masking tape so the hunter may have credit for his "prize". The seat of one pair of trousers is also displayed here. That is symbolic of having had an opportunity to shoot and not shooting.

Raiders Show Balance In Win Over Generals

The Appomattox County Raiders showed good team balance and refused to yield to a fourth quarter onslought by William Campbell as they defeated the Generals, 68-59 in a Seminole District basketball game Friday night.

Mitch Eggleston and David Franklin led the Raiders with 14 points each and Enoch Robinson added 13 points and pulled down 11 rebounds. Hal Smith and Mac Weaver each tossed in seven points for Appomattox. James Robinson and John Scruggs with four points apiece and Manley Ferguson with three rounded out the Raiders' scoring.

Tim Clark took game scoring honors as he led the Generals with 22 points, but Gerald Cheatham was the only other General in double figures as he scored 14. William Mitchell added eight in the losing effort.

The win helped Appomattox retain eighth place in the district standings, ahead of William Campbell and winless Staunton River, the Raiders next opponent at Appomattox Friday night.

The Raiders jumped off to an early lead and were never threatened until the closing minutes of the final quarter when the Generals closed to seven points after a 31 point outburst, including 15 of 17 from the foul line, which made a comeback seem possible.

But clutch rebounding by Enoch Robinson and good ballhandling by Kelso and Eggleston kept the Generals at baby. Robinson has began showing his pre season potential as he has scored well and done an excellent job of rebounding in the past four games. Beginning with the loss to Nelson County Jan. 4, Robinson had averaged 12 rebounds per contest.

The Raiders, now 3-9 on the season, have shown steady improvement since the holiday break and could turn things around with the remaining schedule. Following the Staunton River game Appomattox plays Gretna on the road and will return home against Amherst Jan. 31. Going into the home stretch the Raiders play Altavista, Liberty, Nelson County, Rustburg and Brookville before the district tournament begins Feb. 17.

"IN THY LIGHT SHALL WE SEE LIGHT" . . . Psalm

No lips can tell the love of Christ to the heart th Himself shall speak within. Descriptions all fail unless th Spirit fills them with life and power; till our Immanuel s Himself within, the soul sees Him not. If you wanted to sun, would you gather together the common ins illumination, and seek in that way to behold the sun? Is wise man knows that the sun must reveal itself, and onl own blaze can that mighty lamp be seen. It is so with t "Blessed are you, Simon Barjona," said He to Peter, "fl and blood has not revealed this unto you."

Legal Notice

NOTICE TO THE PUBLIC

Notice is hereby given that the Central Virginia Electric Cooperative on December 10, 1974, filed with the State Corporation Commisin of Virginia an application requesting an increase in the rates charged for electric service. The Commission has suspended the effective date of these proposed increased rates and has scheduled a public hearing on the application in its Courtroom, Blanton Building, Richmond, Virginia, at 2:00 p.m. on March 27, 1975.

Any interested party may review the application of the Company and the proposed new schedules of increased rates during regular business hours at the office of the Commission in Richmond or at any office of the Company where electric bills may be paid. The staff of the Commission has been directed to undertake an investigation to determine the reasonableness of the Company's rates and the results of its investigation will be presented during the public hearing.

Any person who expects to participate at the public hearing as a protestant, to offer evidence and to cross examine witnesses shall file a Protest as provided by the Commission's Rules of Practice and Procedure on or before March 17, 1975. Any interested person who desires to attend the hearing as an intervener, or general public witness, and to make a statement in his own behalf need only appear in the Commission's Courtroom at 1:45 p.m. on March 27, 1975, and complete a notice-of-appearance form to be provided by the Commission's Staff.
